Building A, 42 Tawa Drive, Albany

Travelling from South

Take the Greville Road off-ramp, the one after Constellation Drive off-ramp. Turn left at traffic lights, and then take the first driveway on the right by Casa Italiano (opposite Burnsco Marine and The Tile Space). Then wind your way past the first buildings past Willow Café and you will see our building at the back of the parking area.

Travelling from North

Take the Greville Road off-ramp, turn right, go under the motorway, straight ahead at the traffic lights on to Tawa Drive, then take the first driveway on the right by Casa Italiano (opposite Burnsco Marine and The Tile Space). Then wind your way past the first buildings past Willow Café and you will see our building at the back of the parking area.
