

THE DIABETIC FOOT

PREVENTING AMPUTATIONS – A TEAM EFFORT

ONLINE STUDY EVENINGS

This national webinar will be held on two consecutive evenings in November, looking at the management of the Diabetic Foot, as well as presentations from companies updating us on related products.

We look forward to sessions that will provide useful updates, practical tips, and the opportunity for the sharing of ideas during the Question and Answer sessions.

Tuesday 29 November 6.30pm – 8.30pm

Incidence and Prevalence
History of Diabetes
Disease Guidelines
DF Classification and Documentation
Introduction to Multi-Disciplinary Team

PRESENTERS:

Rebecca Aburn - Nurse Practitioner
Emil Schmidt - Wound Care Specialist

Wednesday 30 November 6.30pm – 8.30pm

Surgical Intervention

PRESENTERS:

Mr. Fraser Harrold - Consultant Orthopaedic Surgeon
and Senior Lecturer

Rebecca Aburn - Nurse Practitioner
